If the Student wishes to exercise their Right to Cancel, they must return all handouts and written materials that were provided when the Student received their student packet.

Any *Bookings* that are cancelled or rescheduled in accordance with the Bookings Policy will be credited back to the student or changed to the rescheduled date/time.
- Once the student has earned their commercial driver's license, the entire *Tuition* is considered *Earned Tuition*. Process to Obtain a Refund:

The Student is eligible for a refund if they meet the following criteria:

1. It must not be more than two months since the *Signup Date*.
2. The amount already paid must be more than the *Earned Tuition* amount.
3. The Student must not be currently suspended or expelled from Source Trucking Academy.
4. The Student must submit in writing (paper, email, or text message) to an employee of Source Trucking Academy that they would like to withdraw their enrollment and receive a refund.
5. Source Trucking Academy will respond with an official academy Request to Withdraw Form that must be signed by the Student and returned.
6. Finally, the student must sign a Refund Receipt when they receive the refund.

In the event a student used the School's financing program, all contracts for any further payments will be cancelled upon signing of the Refund Receipt. The Student will not be charged any cancellation fees.

If the Student obtained an outside loan to pay for their educational program, the Student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the Student was eligible for a loan guaranteed by the federal or state government and the Student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
2. The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

If during enrollment, a student becomes ineligible to receive their Commercial Driver's License, all of the above Refund Policy remains in effect and will still apply.
